**PROJECT: EKATERINA
TYAGUNOVA**

SECTOR: PRIVATE SECURITY

LOCATION: LONDON

THE SITUATION:

Black Diamond Security had the privilege of welcoming back Ekaterina Tyagunova, providing our private security services to her as she visited the UK for London Fashion Week.

Throughout her visit, Ekaterina stayed at the very popular and exclusive Lanesborough Hotel, where Black Diamond Security were on hand 24/7 to ensure the safety and peace of mind of the TV host.

THE PROCESS

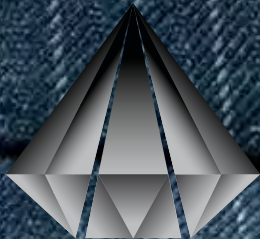

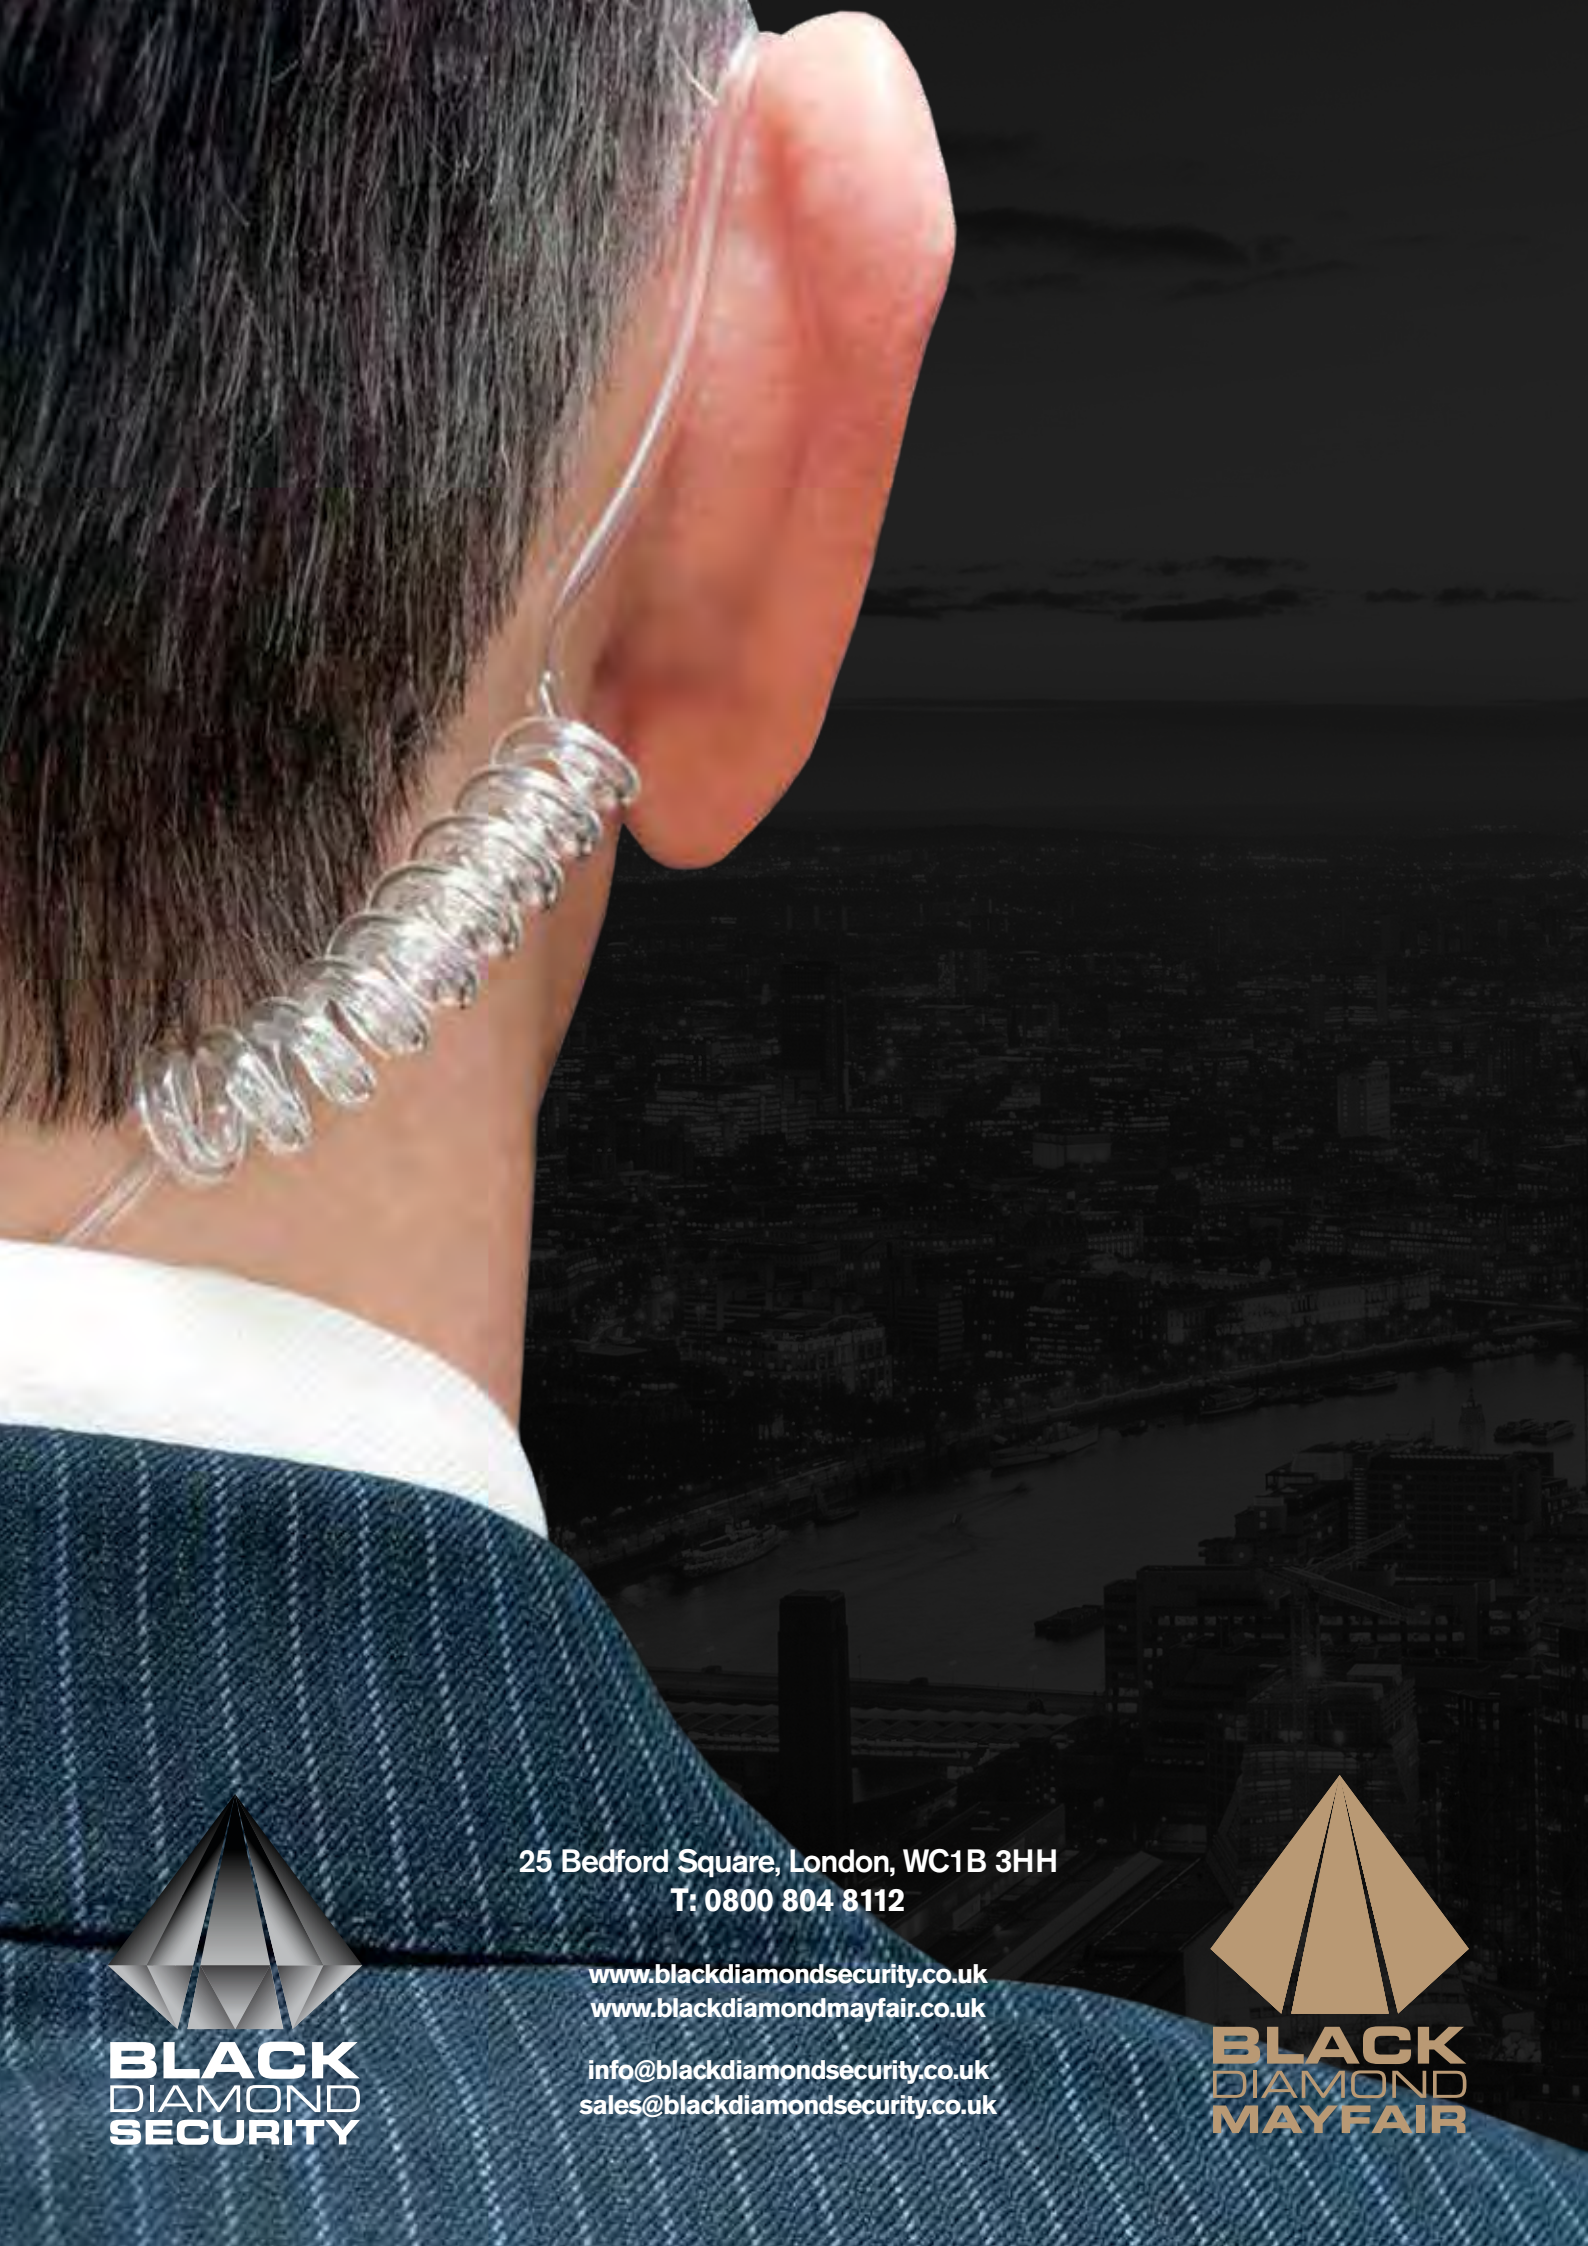

Having supported Ekaterina on past visits to the UK, our close protection officers made sure that she felt comfortable and protected when attending LFW and were extremely vigilant to counteract any potential problems.

Black Diamond Security also provided officers to accompany Ekaterina as she experienced the shopping delights of Bond Street and the exclusive retailers within the capital to ensure that her security was not something she had to worry about and could freely enjoy everything that London has to offer.

We are always committed to offering high-quality security services to any client, whatever their status. Ekaterina continues to choose our VIP solutions, knowing that we tailor our services to her specific needs and has continued peace of mind.

Our team is carefully vetted and has considerable experience even in hostile environments. We are more than happy to bring in front rewarding results and great solutions that everyone will enjoy and appreciate.
